Word of Passing

Marilyn L. Vaccaro passed away July 8, 2026. A celebration of life @ Vineyard Church will take place Wednesday, July 15, at 11:00 am. Full obituary to follow.

Kathleen Anne (Sheldon) Prindle

Kathleen Anne Prindle, 67, of Dillon, Montana, passed away in her home on July 2, 2026. She was a wonderful mother to her children, a beloved sister to her brother David, the love of her husband Marshall's life, and an amazing human being.

Kathleen was born to Allan and Margaret Sheldon on November 26, 1958. She grew up in Butte, MT, attending Butte Central schools before going to Flathead Valley Community College, where she met Marshall.

Throughout her life, Kathleen held various jobs, including several with the Belgrade School District, where she lived for many years. The position she took the most pride in was being a full-time mother to her two children, Elizabeth and Casey.

At the time of her passing, she was living in Dillon, MT. Before Marshall's passing, both she and Marshall were frequent vendors at the local farmer's market, where she sold her handcrafted fabric items and homemade candy. After Marshall's death, she devoted all her time to her family.

Kathleen will be remembered for her warm smile, positive attitude, and kindness to others. No matter who you were, or whether you knew her personally or not, Kathleen treated you like you were the most important person on earth. Her warmth and understanding nature will be remembered by her family forever.

Kathleen joins her husband, Marshall William Prindle; her parents, Allan and Margaret Sheldon; and her daughter, Elizabeth Grace Prindle, in the hereafter. She is survived by her son, Casey Allan Prindle; her brother, David Sheldon; and her in-laws: Bill Baker, Leone Sharp, Lee Prindle, and Leslie Rogers, along with their spouses.

In accordance with her final wishes, she will be cremated, with her ashes interred in a family plot beside those of her husband and daughter. A small, private ceremony will be held at a later time when her ashes are interred.

Arrangements are under the direction of Brundage Funeral Home. Condolences for the family may be posted online at www.brundagefuneralhome.com

Attorney General Knudsen provides update on Montana drug seizures

Attorney General Austin Knudsen announced cocaine and methamphetamine seizures increased in Montana during the first quarter of 2026 compared to the same time last year, while fentanyl seizures continued to decline. Anti-drug task forces remain committed to keeping dangerous drugs out of Montana communities.

"Fentanyl and other dangerous drugs continue to threaten communities, and the battle against the cartels that are bringing them into our state is far from over. Montana's anti-drug task forces continue to aggressively target drug traffickers and adapt to changing trends," Attorney General Knudsen said. "The Montana Department of Justice remains committed to seizing illegal drugs before they reach our communities."

Through the first quarter of 2026, Rocky Mountain High Intensity Drug Trafficking Area (RMHIDTA) task forces seized a total of 30,179 dosage units of fentanyl in Montana, compared to 31,506 dosage units seized during the same time last year.

These quantities are from the six RMHIDTA Montana task forces, and are not all-inclusive of drugs seized by all law enforcement in the state but help to provide statewide trends.

From January 1 through July 6, the Montana Highway Patrol (MHP), which reports the Criminal Interdiction Team's seizures to HIDTA, seized more than 70 pounds of methamphetamine, 23 pounds of marijuana, \$43,557, and 35 weapons.

According to the State Crime Lab, there have been 13 fentanyl-linked fatal overdoses and 16 methamphetamine-linked fatal overdoses so far this year.

Attorney General Knudsen has made it a priority of his administration to combat the opioid crisis in Montana. He also continues to host Opioid Overdose Prevention Summits across the state to hear from advocates, law enforcement, family members who lost a loved one to an overdose.

He also sent a letter to the Trump administration urging them to close a drug trafficking loophole that allowed drug traffickers to flood deadly fentanyl into the country.

During the Biden administration, he urged Biden to secure the southern border by calling on the administration to designate drug cartels as terrorist organizations and classify fentanyl as a weapon of mass destruction. He also filed multiple lawsuits against the Biden administration aimed at securing the border with Mexico.

Veteran's Corner Update #572

By Mike Lawson

Veteran News Updates:

- Many of us know about the federal benefits available to Veterans, but aren't aware of the great benefits that states offer their Veterans. Depending on the state, these benefits can include free college, employment resources, free hunting and fishing licenses. Most states offer tax breaks and specialized licenses plates. Check with the VA or a Veteran Organization in your state. You can also subscribe to military.com which has it broke down for each state.

- It's sad that scammers are out there. In my opinion they should be locked up and the key thrown away. They are a cancer on society and they hit Veterans harder than the general population. There are two rules that defeat 90% of Veteran fraud: (1) No one charges money to file a VA claim. It's against federal law (38 USC 5904). VSOs file for free. Anyone asking for money is breaking the law. (2) The VA does not call to threaten suspension of benefits. If you're getting that call, it's a scam. Hang up and call VA directly at 1-800-827-1000. There are 12 scams that VA OIG, FTC, AARP Fraud Watch flag the most. In my upcoming columns I'll write about one or two of them each week. It's a real problem that the government needs to aggressively pursue and get these bad actors behind bars.

- Many folks across the country are experiencing extreme heat temperatures, 90 degrees Fahrenheit or higher. Being in these temperatures for at least two days can lead to serious medical issues, even death. It's important to stay out of the heat and for a veteran who experiences medical issues, to call 988 and then press 1. To learn more about heat related issues, find out more at heat.gov.
