Dawson Roylance

Dawson Roylance was born on December 7, 2000, in the beautiful lakeside town of Sandpoint, Idaho, to Jason and Teddy Sue Roylance. He was named after the Dawson City in Canada's Yukon Territory, a fitting name for someone who would spend much of his life in the mountains he loved.

As his Grandpa Ross liked to say, Dawson entered the world as a "a little blonde-haired, blue-eyed monster."

Even as a young boy, Dawson was tough, funny, and energetic. Growing up as the third of six children, alongside his siblings Ross, Cole, Travis, Heber, and Abigail, Dawson was the kind of brother everyone hopes to have-a best friend. Dawson and his family moved frequently, and had many adventures. Having lived in more than 20 different places during his 25 years, Dawson made lifelong friends and impacted people's lives wherever he went. Dawson loved the mountains. Hunting, shed hunting, dirt biking, fishing, swimming, and just about anything else outdoors were among his greatest passions. He never complained, worked hard, and genuinely cared about the people around him.

In 2019, at the age of 18, Dawson started his own construction company. Through hard work and determination, he went on to build and contribute to many beautiful projects across Montana. Oftentimes partnering and collaborating with family and friends, Dawson accomplished many feats beyond his years. He took pride in doing quality work, believed in doing things the right way, and worked well with everyone. The measure of a life is not found in its length, but in how it is lived. Dawson's was a life well lived. Most importantly, Dawson loved his Savior, Jesus Christ, and believed deeply in the power of prayer. Anyone who had the privilege of hearing Dawson pray knew he had a sincere and deeply personal relationship with God. His legacy will continue in the lives he touched, the examples he set, and the countless acts of kindness that will never be forgotten.

P.S. - Author's Note: wish to express my immense gratitude for the love and the support that friends, family, and our community have shown our family during this tragic time. My brother, Dawson, was one such person who possessed a character that is rarely seen among men today. I'm immensely grateful for the time that we were able to spend together and for how he personally changed my life for the better. I'm grateful I was able to witness such a unique and wonderful life as his. I witness that the Lord Jesus Christ lives, that He loves us, and that He is so kind to us. For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.- John 3:16. *God be with you till we meet again, little brother.*

**High Divide Minerals Celebrates 10 Years
Without a Lost-Time Accident**

High Divide Minerals is proud to announce a significant company milestone: 10 years without a lost-time accident, a testament to the organization's unwavering commitment to workplace safety and the dedication of every employee.

Reaching a decade without a lost-time accident is more than a statistic—it reflects a culture built on accountability, teamwork, and the shared responsibility of ensuring every employee returns home safely each day. From the mine and mill to maintenance, laboratory operations, logistics, and administrative teams, safety remains at the core of every decision made throughout the organization.

"High Divide Minerals has experienced many positive changes over the years—from growth and new opportunities to continued operational improvements—but one thing has remained constant: our commitment to safety," said Dave Lowell, Environmental Health and Safety Coordinator. "This milestone belongs to every employee who makes safety a priority every single day. Looking out for one another isn't just part of our job—it's part of who we are."

To recognize this accomplishment, High Divide Minerals hosted a company-wide barbecue for employees, celebrating the people whose dedication made this achievement possible. The event provided an opportunity for team members to reflect on the milestone while recognizing the strong safety culture that continues to define the company.

As a leading producer of premium talc products, High Divide Minerals believes operational excellence begins with protecting its workforce. Continuous training, proactive hazard identification, open communication,

and employee engagement remain central to the company's safety program and support its mission of delivering high-quality products responsibly and reliably.

Although the company is proud to celebrate this milestone, High Divide Minerals recognizes that safety is a continuous journey. Maintaining a strong safety culture requires ongoing commitment, continuous improvement, and the daily involvement of every employee.

Lowell added, "We're incredibly proud of what our team has accomplished, but our commitment to safety doesn't end with this milestone. We'll continue working together every day to ensure every employee returns home safely at the end of each shift."

High Divide Minerals extends its sincere appreciation to every employee whose commitment, vigilance, and teamwork made this milestone possible. Together, the company looks forward to building on this achievement and continuing its tradition of safe, responsible operations for years to come.

Atlanta Falcons release LB Troy Andersen

According to the Atlanta Falcons Senior Reporter, Will McFadden, the Atlanta Falcons released linebacker Troy Andersen last Friday morning.

A former second-round pick by the Falcons in the 2022 NFL Draft, Andersen showed tantalizing ability when on the field. His sideline-to-sideline range was quickly apparent as a rookie, and he developed an instinct for big plays. In Week 4 of the 2024 season, Andersen delivered a crucial pick-six, the first of his career, to help Atlanta beat New Orleans 26-24. He was named NFC Defensive Player of the Week for his performance, which also included a career-best 16 tackles, a pass breakup and a tackle for loss.

Andersen left that game early due to a knee injury and missed the next five contests. He returned for three games later during the 2024 season, including a start in Week 14 against Minnesota, but he ultimately ended the season on injured reserve.

Before the team began training camp practices last summer, Andersen was placed on the Physically Unable to Perform list for the 2025 season.

The team restructured Andersen's contract this offseason, but he also started 2026 Atlanta Falcons AT&T Training Camp on the active/PUP list, as it was determined he was still not healthy enough to participate in practices.

In a corresponding move, the Falcons are signing wide receiver Kristian Wilkerson. The 6-foot-1, 214-pound Wilkerson has played four seasons in the NFL and appeared in nine games. Wilkerson has caught six passes in his career, three of which were for touchdowns.

The American Legion Post 20 Health Equipment Loan Program

The American Legion would like to thank the Dillon community for its amazing and continued support of the Health Equipment Loan program. Your donations are appreciated. All health equipment is available for anyone in need. You do not have to be a veteran.

As a reminder, it is the individual's responsibility to thoroughly clean the equipment prior to returning it. Recently we have had equipment dropped at our storage facility located near the Search & Rescue building, or at our meeting hall on Glendale Street with no contact information. Unless you notify a volunteer, or include your name on the equipment, it is impossible for us to know who returned it.

We ask that you please contact Jodie Jolly at 406-925-3563, Dick Jackson at 406-461-0325, Frank Allen at 406-660-7022, or Sharon Andersen at 406-660-1231 to assist with any returns.

Respectfully,

Mark McGinley, Commander, American Legion Post 20

Street Preservation Project Reminder

The City of Dillon will begin its 2026 Street Preservation Project on Sunday, August 9. Residents are asked to remove all vehicles from streets scheduled for maintenance before work begins each day.

Vehicles left on affected streets will be towed at the owner's expense.

Street Preservation Schedule

- Sunday, August 9
Montana Street and Washington Street
From Helena Street to Reeder Street
- Monday, August 10
Idaho Street and Pacific Street
From Reeder Street to Poindexter Street
- Tuesday, August 11
Washington Street
From Reeder Street to Poindexter Street
- Sunday, August 16
Idaho Street and Pacific Street
From Helena Street to Reeder Street

Residents who live or park along these routes are encouraged to plan ahead and move their vehicles before work begins to help crews complete the project safely and efficiently while avoiding towing costs.
