**Bozeman Symphony's 59th Season Opens
Sept. 12 with Revolution & Revelry:
Shostakovich 5**

The Bozeman Symphony launches its 59th concert season, Music that Moves Us . . . Near and Far, on Sept. 12-13 with Revolution & Revelry: Shostakovich 5, an exhilarating program that journeys from the mischievous wit of Leonard Bernstein to the lyrical brilliance of Franz Liszt and the emotional power of Dmitri Shostakovich.

The season opener features internationally acclaimed pianist Ying Li, who will perform Liszt's Piano Concerto No. 2 in A major, a dazzling work celebrated for its poetic lyricism and virtuosic brilliance.

Completing the program are Bernstein's spirited Candide Overture and Shostakovich's monumental Symphony No. 5, a masterpiece that moves from tension and uncertainty to resilience and triumph.

Shostakovich's Fifth Symphony is significant because it was composed under intense political scrutiny in the Soviet Union and has become one of the most beloved symphonies of the 20th century.

Li has performed with many of the world's leading orchestras, including The Philadelphia Orchestra, New Jersey Symphony, Buffalo Philharmonic, L'Accademia Orchestra del Teatro alla Scala, Staatsphilharmonie Rheinland-Pfalz, and the Stuttgart Philharmonic.

Performances will take place Saturday, Sept. 12, at 7:30 p.m. and Sunday, Sept. 13, at 2:30 p.m. at the Willson Auditorium, 404 W. Main St., in downtown Bozeman. These performances are made possible through the generous support of sponsors Bob & Donna Ritchie, Bruce & Kimberlie Jodar, Arlene & Paul Wylie, Rick Sanders & Janice Hand, and Dennis Wentz, MD & Anne Colston Wentz.

Tickets start at \$30 for adults, discounted student tickets available. Purchase tickets at <https://www.bozemansymphony.org/revolution-and-revelry>, or call (406) 585-9774. Tickets available at the door, subject to availability.

Stage I fire restrictions

FWP lands in Beaverhead County to enter Stage I fire restrictions
Lands in Beaverhead County managed by Montana Fish, Wildlife
& Parks will be under Stage I fire restrictions starting Aug. 13.

Under Stage I restrictions, building, maintaining, attending, or
using a fire or campfire is prohibited unless an exemption is made.
People may only smoke within an enclosed vehicle or building, a
developed recreation site or while stopped in an area at least 3 feet in
diameter clear of flammable materials. People may cook on a liquid
petroleum gas or propane stove that can be turned off.

FWP follows the county's lead in placing fire restrictions on its
properties within that county. These restrictions at FWP sites will be
in place until further notice. FWP urges people to use caution while
recreating due to dry conditions and fire danger.

Secretary Christi Jacobsen slams out-of-state organization for business fraud

Montana Secretary of State Christi Jacobsen has issued a
cease-and-desist letter to an out-of-state group targeting Montana
businesses with a fraudulent, official-looking solicitation designed to
take money from hardworking Montana businesses.

These out-of-state swindlers targeted Montana businesses with
a mailing titled "Form 5102 Mandatory Beneficial Ownership
Reporting" from Annual Filing Report Service LLC.

The U.S. Department of the Treasury has explicitly warned
that any correspondence referencing "Form 5102" is fraudulent.
The federal government also confirmed that the Financial Crimes
Enforcement Network (FinCEN) has no form by that number.

"When an out-of-state organization invents a fake form, flashes
fake penalties, and tries to bully Montana businesses into writing a
big check, that's not compliance, that is fraud. My message to these
crooks is simple: Montana is open for business — not open for
scams," said Secretary Jacobsen.

Montana business owners are encouraged to ignore suspicious
mailings demanding large payment for filings, certificates, or
compliance documents, and to closely review disclaimers or fine
print showing the mailing is only a solicitation or advertisement.

The Sand Creek Fire

Jeremy Crawford, Southwestern Montana News

The Sand Creek Fire has grown to a massive 27,575 acres and continues to spread, prompting additional evacuations as hundreds of firefighters work to protect homes, businesses and other structures in the fire's path.

On Tuesday, the fire crossed the Pioneer Mountains Scenic Byway, leading authorities to expand evacuation areas.

Current evacuation areas include Elkhorn Hot Springs and Maverick Mountain, including all communities south to Shale Creek and Clark Creek on the north end of Grasshopper Valley.

Evacuations also extend from Billings Creek north, from Polaris to the Ma Barnes subdivisions. Mountain View, Highboy Drive, Sawtooth Road and Clark Creek Road are also included.

As of approximately 10 p.m. Tuesday, Beaverhead County Sheriff David Wendt told Southwestern Montana News that, to his knowledge, the only structures lost at Maverick Mountain were the ski patrol shack at the top of the mountain and the ski lift.

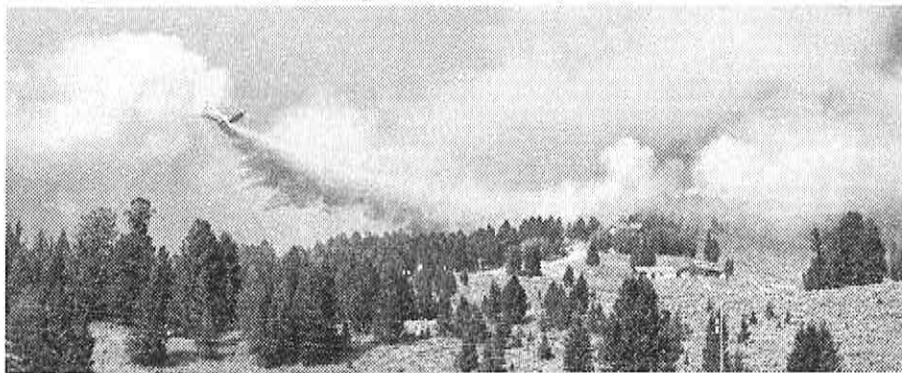

Other structures in the area, including the main lodge, were still standing based on the information available to the sheriff at that time.

Community Meetings Scheduled

The first meeting will be held tonight, Wednesday, August 12, at 6 p.m. at Jackson School, 415 Jardine Avenue in Jackson.

A second meeting will be held Thursday, August 13, at 6 p.m. at the Wise River Community Building.

Authorities are asking members of the public to stay out of the affected areas unless they have property or another legitimate reason to be there. Unnecessary traffic can interfere with firefighting operations, evacuation efforts and residents attempting to move livestock or personal property.

PUBLIC NOTICE REQUEST FOR PROPOSALS: DOWNTOWN TOURISM INFRASTRUCTURE

Planning & Engineering Services, Dillon D-Tour Initiative
Headwaters RC&D, Lead Organization for the Dillon D-Tour initiative under the Montana Tourism Development Grant Program, Montana Department of Commerce, has issued a Request for Proposals for planning and engineering services in support of downtown tourism infrastructure improvements in Dillon, Montana. The project centers on revitalizing Dillon's downtown corridor, primarily Montana Street and the Carpita Parking Lot, through pedestrian-scale improvements including sidewalks, lighting, benches, curb work, and related amenities. The engagement covers two phases: (1) prioritizing which improvements will have the greatest tourism and downtown-activation impact, and (2) completing or advancing engineering and design on the prioritized elements toward construction. The City of Dillon has an adopted downtown master plan and existing engineered plans for portions of the corridor, which are included with the RFP. Full RFP available at: https://3712b13c-53d3-4ad5-8796-0c529c926496.filesusr.com/ugd/6a9a80_c4082ade55ca4f6e9005b72b59fc862d.pdf Proposals Due: August 20, 2026, 5:00 PM (Mountain Time). Proposals must be submitted by email as a single PDF attachment to csunell@headwatersrcd.org, with the subject line "D-Tour Downtown Infrastructure RFP - [Firm Name]." Full submission requirements and evaluation criteria are outlined in Sections 5 and 6 of the RFP. Published on behalf of Headwaters RC&D.
