Dillon Jaycees Launch Friends of Maverick Mountain to Rebuild Fire-Damaged Ski Area

Seventy years after starting the Little Skiers program,
the Jaycees open a \$2 million campaign to get
250 Southwest Montana kids back on the hill.
See the yellow insert in today's Dillonite for
complete information on how you can help.

!!!!!! WEED CLEANING UPDATE !!!!!!

We will be meeting again this Saturday (August 29th) to clean
up a couple more areas. Please meet at the Jaycee Park amphitheater
at 8:00 am and bring gloves, pruning shears, square shovels, weed
trimmers, etc. if available. We will provide large commercial garbage
bags for the waste which you can fill and place on the curbs when
full. I will pickup the bags after we are done. Plan is to be done no
later than noon. We will be covering three areas this time.

1. Downtown Area. We will have a couple teams walk the
downtown streets (Montana, Idaho and Washington) and take care
of any weeds, etc. This will be between Reeder and Helena streets.
This will be pretty simple other than the area around the Frontier
Events Center area and possibly the far edge of the city parking
lot across from Womack's Printing Place which will need extra
attention. Many of the streets just have a few weeds to dig/cut.

2. Veteran's Park. Although the park is looking pretty good, we
want to take it to the next level with trimming of remaining weeds
as well as some branches on the trees.

3. Bridge Area at Railroad Street and Reeder Street. We trim/
mow on the bank of the Blacktail Creek. In addition, clean south
from Reeder down Railroad to the Fairground entrance.

I know there are other areas that some of you have mentioned
but wanted to limit our scope as we don't know how many
volunteers we will have. I want to thank you in advance for those of
you that will be able to assist. Please come by any of the locations
even if it is for 30 minutes.

Beaverhead Search & Rescue Update

Jack Bazemore- Beaverhead SAR Public Relations

On August 23rd, 2026, at 5:45pm, Beaverhead Search and Rescue was dispatched to the Thief Creek area for a stuck minivan.

Personnel from Beaverhead Search and Rescue, Beaverhead Ambulance, and the Beaverhead County Sheriff's Office staged at the Birch Creek Road/Thief Creek intersection. There they loaded into the Beaverhead Search and Rescue side by side, a four-wheel drive SUV, and a four-wheeler with a rescue buggy and started up Thief Creek Rd (USFS 606). Once the vehicle was located, one individual was loaded on the buggy, the other three persons were loaded into the side by side and taken down to the staging area. All four persons were then transported back to Dillon.

This callout shows the great interagency cooperation between our local agencies. This type of cooperation does not occur everywhere, but it takes many different specialties to make a rescue happen.

Resale Animals from the Fair

If you would like to purchase a resale animal from the fair, we will have beef available at \$2.75/pound, hogs at \$2.25/pound, lambs at \$2.25/pound, and goats at \$2.25/pound. If you are interested, please contact the Extension Office at (406) 683-3785 or drop by our office at 205 E. Center St. in Dillon.

Animals will be sold on a first come first serve basis, so make sure to get on the list early. The resale buyer will be responsible for processing costs.

Montana Western Men's Basketball Releases 2026 Schedule

The Montana Western men's basketball team will play 28 regular season contests as part of the 2026-27 slate, head coach JC Isakson announced Tuesday.

The Isakson era kicks off with an exhibition at NCAA DI and Big Sky Conference member Idaho State Oct. 23.

The Bulldogs will play 13 home games in Straugh Gymnasium. The home slate begins Oct. 30-31 when they host the Western Classic. UMW will face off against Park Gilbert (10/30) and College of Idaho (10/31).

Frontier play also begins at home with three straight contests against rival Montana Tech (11/27), Mayville State (12/4), and Valley City State (12/5).

The rest of the Bulldogs' home schedule is as follows: Bismarck State (1/8), Dickinson State (1/9), Rocky Mountain (1/22), Carroll (1/23), Providence (1/29), MSU-Northern (1/30), Dakota State (2/12), and Bellevue (2/13).

The Red and Black will compete on the road 14 times in the 2026-27 regular season. Following the Western Classic at home, the Bulldogs travel to the Best Western Tipoff Classic in Butte, where they will take on LC State (11/6) and Westcliffe (11/7).

Then they head to Lewiston, Idaho for the LC State Classic, with matchups set against Eastern Oregon (11/19) and the tournament-host Warriors (11/20).

The first conference road contest is set for Dec. 12 against Montana Tech, followed by MSU-Northern (12/18), Providence (12/19), Carroll (12/31), Rocky Mountain (1/2), Bellevue (1/14), Dakota State (1/16), Valley City State (2/5), Mayville State (2/6), Dickinson State (2/19), and Bismarck State (2/20).

The Frontier Conference men's basketball tournament takes place Feb. 26-Mar. 1 in Butte.

The FC regular season champion will earn an automatic bid to the NAIA Men's Basketball National Championship Tournament. The winner of the conference tournament will also receive a bid. In the event the regular season champion is the tournament champion, then the second berth will be awarded to the Regular Season Runner Up.

Dillon Jaycees Launch Friends of Maverick Mountain to Rebuild Fire-Damaged Ski Area

Seventy years after starting the Little Skiers program, the Jaycees open a \$2 million campaign to get 250 Southwest Montana kids back on the hill.

POLARIS, Mont., Aug. 25, 2026 — The Dillon Jaycees would like to thank the firefighters for saving a large portion of the ski area, and the larger community for the outpouring of support for Maverick Mountain, the town of Polaris and the Grasshopper Valley.

The Sand Creek Fire ignited on Aug. 1, 2026, roughly seven and a half miles southeast of Wisdom. It reached the ski area on the night of Aug. 10 and crossed the summit the following morning. As of Aug. 24, the fire had burned approximately 33,088 acres and was 14 percent contained. Evacuation orders remain in effect for Maverick Mountain and Elkhorn Hot Springs, and the Pioneer Mountains Scenic Byway remains closed.

The ski area's only chairlift sustained major damage, and a portion of the runs burned. A recently built ski patrol building at the top of the mountain and the mountain's communications infrastructure were destroyed. Firefighters saved the base lodge and the grooming machines.

"If I have anything left, I'll be coming back to a mess. I'm not complaining," said Erik Borge, who owns Maverick Mountain with his wife, Kristi. "Right now it's about taking care of our community, taking care of our people. Then it's a matter of putting the pieces back together."

As reported by Montana Free Press, Aug. 11, 2026.

Seventy years of Little Skiers. The Dillon Jaycees have run the Jaycees Little Skiers program at Maverick since 1955, giving the youth of Southwest Montana an affordable way to ski and snowboard. The program combines low-cost access, equipment, transportation, lunch and instruction. Roughly 125 young people are enrolled in Little Skiers, with another 125 in rural school and home school programs — about 250 children each year who now have no mountain to ski.

Two lifts already on the ground. In 2024, Maverick purchased two used Poma fixed-grip quad chairlifts — the same make, model and age — from Aspen Skiing Company and Jackson Hole.

Both are stored in the Grasshopper Valley and were undamaged by the fire. They are the foundation of the rebuild.

What remains, in addition to engineering and the approval process:

- A new haul rope, approximately 11,000 feet
- A full electrical upgrade and communications line, top to bottom
- A new AC drive and refurbishment of remaining components
- Installation of at least 18 towers, top and bottom terminals, and 120 quad chairs

Industry benchmarks for a fixed-grip chairlift installation of this length run \$2 million to \$2.5 million depending on helicopter time; a comparable new chairlift runs roughly \$4.5 million. The U.S. Forest Service must approve replacement of the damaged lift. Fire insurance will offset part of the cost but is expected to fall well short of the total.

Beyond the lift, the initiative aims to fund mountain cleanup and restoration, equipment, materials and labor so Maverick can reopen as soon as possible and stay strong for years to come.

HOW TO LEARN MORE AND GIVE

- Online at friendsofmaverickmountain.org
- At any Stockman Bank branch in Montana — ask for the Friends of Maverick Mountain account
- By mail to Friends of Maverick Mountain, PO Box 460459, Polaris, MT 59746

An advisory board oversees all fundraising and distribution decisions. Any funds remaining after the rebuild will go toward scholarships and equipment for the youth programs. The advisory board is Jim Harvey, Leslie Cottom, Laurie Moore, Cory Birkenbuel, JM Peck, Jason Schumacher and Zeno Beattie.

ABOUT MAVERICK MOUNTAIN SKI AREA

Maverick Mountain Ski Area has operated as a community ski area in Polaris, Montana since 1946, making it one of the oldest in the state. It has one chairlift, 24 runs and 2,020 feet of vertical, and sits within the Beaverhead-Deerlodge National Forest. Erik and Kristi Borge purchased the ski area in 2015.

ABOUT THE DILLON JAYCEES

The Dillon Jaycees are a Southwest Montana volunteer service organization. They have operated the Jaycees Little Skiers program at Maverick Mountain since 1955, serving approximately 250 young people annually across the Little Skiers, rural school and home school programs.
