Attorney General Knudsen secures settlement up to \$127 million in largest big tech settlement in history

Montana Attorney General Austin Knudsen announced a landmark settlement agreement with Meta Platforms, Inc. ("Meta") for intentionally designing Facebook and Instagram to be addictive to minors and for misleading the public about the safety of its platforms. Montana has the potential to receive \$127 million from the settlement and is guaranteed to receive \$89 million.

In 2021, Attorney General Knudsen launched an investigation into Meta for engaging in conduct harmful to young users of Meta social media platforms. The investigation found that Meta misled the public by concealing its extensive internal research showing the significant mental health and other harms that young users on its platforms are at substantial risk of suffering. Meta also made multiple false and misleading public statements about the safety of its platforms and its commitment to well-being related products and features. In addition, evidence showed that Meta unfairly designed Facebook and Instagram to be addictive to children under the age of 18.

Following the investigation, Attorney General Knudsen filed a lawsuit against the company for violating Montana's consumer protection laws. As part of the settlement Montana is guaranteed to receive \$88,962,843 of the total settlement which resolves claims by 47 other States along with D.C., Guam, Puerto Rico, and the U.S. Virgin Islands. Montana has the potential to receive \$127,305,996 of the up to \$17,100,000,000 if other conditions are met.

"This settlement agreement is the culmination of years of hard work to hold Meta accountable for their dangerous and deceptive practices that put the health and well-being of Montana kids at risk," Attorney General Knudsen said. "I'm glad Meta has taken responsibility and I hope other social media companies will follow suit. This settlement money will be put to good use to improve safety and mental health resources for kids and teens in the state. As Attorney General, I will continue to protect the safety and rights of all Montanans."

At least half of the money must go to remediate harms caused by social media. Additionally, the settlement requires Meta to implement a series of safety features on Instagram and Facebook.

Montana also resolved its claims against Meta for Meta's sharing of nonpublic information about Facebook users with third parties, like Cambridge Analytica, leading up to the 2016 election. Montana will receive an additional \$4.3 million under that settlement agreement.

Attorney General Knudsen is committed to keeping children safe online and getting parents the information they need to help them protect their children from being force-fed harmful content online. In October 2024, he filed a lawsuit against TikTok for sharing addictive and harmful content with children and teens.

Happy Bear Aware Month!

Celebrate Bear Aware Month at one of FWP's events, drop off old cans of bear spray. In 2023, Gov. Greg Gianforte proclaimed September as Bear Aware Month.

FWP continues to honor that proclamation by focusing communication and education efforts during the month on making Montana residents, visitors and communities more bear aware.

As part of Bear Aware Month, FWP offices will take old bear spray cans throughout September. Expired or partially used bear spray canisters aren't safe to simply toss in the trash, and over time many Montanans end up with a box full of old cans gathering dust.

Swing by one of FWP's offices to take advantage of this short-term opportunity while it's available and help free up space in your basement or closet in the process. Then buy a new can and have it ready for hunting season and other recreational activities this fall.

When you drop off your old canisters, you can enter to win a bear spray storage canister.

Here is a list of September Bear Aware events in our area:

Sept. 1 – Missoula, Region 2 Headquarters, 3201 Spurgin Road, 5:30 to 7:30 p.m. Kick off Bear Aware Month. Learn bear safety tips for the outdoor activities you do and how to keep your yard bear resistant. Plus, practice using inert bear spray cans with our remote-controlled charging bear. This event is free and no registration is required.

Sept. 3 – Bozeman, Region 3 Headquarters, 1400 S. 19th Avenue, 11 a.m. to 2 p.m. This event will include lectures on the hour and displays, including grizzly bear and black bear full-body mounts, skulls, tracks, food storage options, bear spray holsters, and a bear spray target. Participants will have the unique opportunity to practice using inert bear spray in a simulated charging bear demonstration, weather permitting. They will provide in-depth training on how to carry and use bear spray. Visitors should leave their personal bear spray at home.

Sept. 16 – Missoula, Region 2 Headquarters, 3201 Spurgin Road, 4 to 6 p.m. Stop by the Missoula FWP office this summer during open "bear aware office hours." We'll be on hand during these times to answer questions and share bear safety tips. Plus, practice using inert bear spray with a charging robo bear. This event is free and no registration is required.

Montana Western Women's Hoops Adds Seven Ahead of 2026-27 Season

The Montana Western women's basketball team has added seven student-athletes to its 2026-27 roster, head coach Ryan Sullivan announced. A brief profile on each athlete and some words from Sullivan follow below.

"More than anything, we are incredibly proud of the people we have brought into our program," Sullivan said. "We believe we have added a group of outstanding basketball players, but more importantly, we have added incredible young women who are driven, competitive, coachable, and committed to being great teammates. Each of these athletes brings something unique to our program."

Ava Blair | Freshman | Forward | 6-0
Salt Lake City, Utah | Olympus HS

Blair joins the Bulldogs from Olympus HS. In her senior season she led her team to its best record in the last 10 years and was an all-state and all-region honorable mention. She helped her team to one region championship and two elite-eight appearances in her high school career. She also earned the Most Versatile Player honor. She is the daughter of Sadie and CJ Blair and will major in Biology.

"Ava is the type of player every coach wants in their program," Sullivan said. "Her versatility, size, and ability to impact the game in multiple ways make her a great fit for what we are building at Western. She comes from a winning program at Olympus, and her experience competing at a high level will be valuable as she transitions to the college game. We are excited about her potential and can't wait to see her continue to grow both on the court and in the classroom as a Bulldog."

Silvia Fonongaloo | Sophomore | Post | 6-2
Bay Area, Calif. | Los Angeles Harbor College

Fonongaloo is a transfer from Los Angeles Harbor College where she averaged 20.5 points, 12.8 rebounds, 1.6 assists, and

1.6 blocks through six games before being sidelined due to injury. She also played one season at Cal State LA, averaging 4.4 points and 2.8 rebounds per game while shooting 42.3 percent from the floor. She is the daughter of Malia Latu and Mike Fonongaloo.

"Via brings a tremendous physical presence," Sullivan said. "Her production at Los Angeles Harbor showed what she is capable of, and we believe she has the opportunity to make a significant impact in our frontcourt. She is a strong rebounder, a talented scorer, and someone who brings toughness to our team. We are thrilled to welcome Via to Western and are excited to see what she can accomplish as a Bulldog."

Reese Gustin | Freshman | Guard | 5-9
St. George, Utah | Pine View HS

Gustin is a freshman out of St. George, Utah. She averaged 10.7 points, 4.9 rebounds, 3.7 assists, and 2.7 steals per game in her senior season. She helped lead her team to a third-place finish at the 2026 state tournament. She earned one first team all-state recognition and three first team all-region honors. She is the daughter of Trish and JD Gustin and plans to major in Biology.

"Reese is a talented shooter who has a great feel for the game and a high basketball IQ," Sullivan said. "Coming from a family of coaches, she has been around the game her entire life, and you can see that understanding in the way she plays. She has the ability to stretch the floor, make shots, and make smart decisions with the basketball. We are excited to add her skill, knowledge, and competitiveness to our program and look forward to watching her continue to develop at Western."

Maddie Kaufman | Sophomore | Guard | 5-7
Frenchtown, Mont. | Northwest College

Kaufman is a transfer from Northwest College. She averaged 8.1 points, 3.2 rebounds, and 1.7 assists per game. She shot 38.4 percent from beyond the arc. She led her team to a Region IX tournament runner-up finish and was named to the all-tournament team. She was named the Conference Co-MVP in her lone year with the Trappers. She is the daughter of Jennifer and Jory Kaufman and will major in Biology.

"Maddie is a proven winner who brings confidence, toughness, and a high level of skill to our backcourt," Sullivan said. "She had a very large impact on the success her team had at Northwest, and we believe that experience will translate extremely well to our program. Her ability to stretch the floor and knock down shots from the perimeter will be an important addition for us. We are excited to have Maddie back in Montana and look forward to watching her continue her career as a Bulldog."

Kendyl Meinhold | Freshman | Forward | 5-10
Florence, Mont. | Florence-Carlton HS

Meinhold joins Western from Florence-Carlton HS. In her senior season she averaged 10.0 [points, 5.0 rebounds, 4.0 steals, 3.0 assists, and

1.0 blocks per game. She led her team to a 22-5 overall record in her final campaign. She earned two first-team and one second-team all-conference honor and was the District Defensive MVP. She is the daughter of Tami and Shane Meinhold and will major in Psychology.

"Kendyl is a competitor who can impact the game in so many different areas," Sullivan said. "Her ability to defend, rebound, create for others, and score makes her a really valuable addition to our roster. Her willingness to do the dirty work is what truly set her apart in the recruiting process. She understands what it takes to be part of a successful team, and we are excited to see her bring that mindset to Western."

Madeline Moline | Freshman | Forward | 5-11
Brockway, Mont. | Circle HS

Moline is a freshman out of Circle HS. In her senior season she averaged 15.7 points, 5.5 rebounds, and 3.5 assists. She was an 84.0 percent free-throw shooter. She led her team to a Class C State runner up finish in 2025 and was a four-time all-conference and four-time all-state player. She is the daughter of Sara and Conrad Moline and plans to major in Business Administration.

"Madeline is a talented and versatile forward who brings a great combination of size, skill, and basketball experience to our program," Sullivan said. "Her successes at Circle pretty remarkable and are a great example of what we are looking for here at UMW: Winners. She has a great feel for the game and has shown that she can contribute in a variety of ways. We are excited to welcome her to Western and watch her continue to develop as a Bulldog."

Marisa Snider | Freshman | Guard | 5-5
Ennis, Mont. | Ennis HS

Snider joins the Bulldogs from Ennis HS. She scored over 2,000 career points in her high school career and finished in the Top-10 all-time scorers in Montana High School Girls Basketball history. In her senior season she averaged 26.2 points, 5.0 rebounds, and 5.1 assists per game. She led her team to the 2026 District Championship and two state tournament appearances. She earned four all-conference and four all-state honors. She is the daughter of Marci and Dallas Snider and will major in Kinesiology.

"Marisa is an incredibly accomplished player, and we couldn't be more thankful that she trusted the vision we have here at Western in the recruiting process," Sullivan said. "Scoring more than 2,000 career points and finishing among Montana's all-time leading scorers is an incredible accomplishment, but what stands out to us is her ability to make everyone around her better. She is a dynamic scorer, a talented passer, and a competitor who understands what it takes to win. We are excited to have her represent Western and look forward to seeing her leave her mark on our program."

PUBLIC NOTICE

REQUEST FOR PROPOSALS: COMMUNITY MARKETING & BRANDING FIRM Dillon D-Tour Initiative

Headwaters RC&D, Lead Organization for the Dillon D-Tour initiative under the Montana Tourism Development Grant Program, Montana Department of Commerce, has issued a Request for Proposals seeking a qualified marketing and branding firm to develop a cohesive, community-wide destination brand and marketing plan for the Dillon, Montana community.

The engagement includes a new Dillon community/destination logo and full visual identity system, comprehensive brand guidelines, a community marketing plan, and a base marketing asset package to support the Beaverhead Chamber's digital marketing campaign planned for spring 2027. The selected firm will lead community and stakeholder engagement, including at least one in-person community meeting or open house in Dillon, and will coordinate with a separately procured wayfinding consultant to ensure visual consistency with the new brand.

Full RFP available at: <https://www.headwatersrcd.org/press>
Proposals Due: August 31, 2026, 5:00 PM (Mountain Time).

Proposals must be submitted by email as a single PDF attachment to csunell@headwatersrcd.org, with the subject line "D-Tour Marketing & Branding Firm RFP: [Firm Name]". Questions regarding this RFP are due by August 24, 2026, 5:00 PM (Mountain Time). Full submission requirements and evaluation criteria are outlined in Sections 5 and 6 of the RFP.
