A Heartfelt Thank You from the Women's Resource Center

The Women's Resource Center would like to extend a heartfelt thank you to everyone who attended, donated, supported, bid on artwork, and helped make the Gallery of Hope on Saturday, August 22, in Ennis, MT, such a meaningful and successful event.

The WRC is incredibly grateful to its generous sponsors, talented artists, donors, volunteers, local businesses, and community members whose support helped bring the evening to life. A special thank you goes to event co-sponsors Resolute Roots Realty and Vessey Properties – eXp Realty for their support and partnership.

The WRC also extends its sincere appreciation to the incredible Montana artists who donated their beautiful and unique artwork for the event. Their generosity and creativity made the Gallery of Hope a truly special evening and helped raise vital funds to support individuals and families affected by domestic and sexual violence.

The support of the community makes a real difference in the lives of those served by the WRC. Because of the generosity of so many, the WRC can continue providing safety, support, advocacy, and hope to individuals and families when they need it most.

Thank you to everyone who believes in the WRC's mission and stands with survivors. The WRC is deeply grateful for the continued support of this caring and generous community. For more information about the WRC, visit us online at www.wrcmt.org

Beaverhead River fishing closure to begin early

Clark Canyon Dam to Pipe Organ FAS to close Sept. 1

A portion of the Beaverhead River will close to fishing earlier than normal due to drought conditions and a subsequent reduction in flows.

A full fishing closure will begin Sept. 1 from Clark Canyon Dam to Pipe Organ Fishing Access Site. The seasonal spawning closure in that reach, which runs Oct. 1 through the third Saturday in May, will remain in place regardless of river conditions.

The early closure comes following coordination between dam operators, irrigators, and Montana Fish, Wildlife & Parks. To help address declining water levels in Clark Canyon Reservoir after years of drought, dam operators plan to reduce outflows starting Sept. 1, which is about a month earlier than normal for winter flows. Current inflows to Clark Canyon Reservoir are only 157 cubic feet per second, with the reservoir at less than 30 percent of capacity. Several large water users downstream will also cease irrigation operations Sept. 1, in part, to help minimize impacts to the Beaverhead fishery.

Low flows create stressful conditions for fish, making them more susceptible to excessive mortality from angling. FWP's drought criteria provides for angling restrictions and closures based on stream flow and temperature thresholds. FWP staff will continue to monitor flows and water temperatures in coordination with dam operators in an effort to avoid additional fishing closures downstream of Pipe Organ FAS.

Other fishing regulations still apply for the Beaverhead River. To see the current regulations check the Montana Fish, Wildlife & Parks website.

Montana Western MBB Inks 16 to 26-27 Roster

The Montana Western men's basketball team has signed 16 players ahead of the 2026-27 season, head coach J.C. Isakson announced Friday. This is the first signing class under Isakson, who took charge of the program in April 2026.

A brief profile on each athlete and a quote from Isakson follow below.

"We are excited about how our roster came together," Isakson said. "We have several proven transfers that were productive college basketball players at their previous stops along with a talented freshman class to build with for the future. Adding this recruiting class to returners Billy Carlson, River Hurley, and Joshua Whiteside, we have a chance to be long, athletic, and deep. We look forward to September and putting the pieces together."

Seven of the new Bulldogs come from four-year colleges or universities.

Noel "Bud" Davis | Sophomore | Guard | 5-10
Seattle, Wash. | Earlham College

Davis joins Western from Earlham College in Indiana. He averaged 14.3 points, 2.8 rebounds, and 3.0 assists as a freshman. He tallied six games with at least 20 points and one game with 30. He led the team and was top 10 in the conference in points per game and earned one player of the week nod. He is the son of Erin Long and Noel Davis and is majoring in Business Administration.

Marje Windfield | Junior | Guard | 5-10
Chicago, Ill. | Multnomah

Windfield joins the Bulldogs from Multnomah. He averaged 12.5 points, 2.5 rebounds, and 1.5 assists. He shot 35.0 percent from beyond the arc. He was named a Cascade
